

**Conference Participation Guidelines**  
**1<sup>st</sup> International Online Energy Conference (IOEC 2008)**

**December 19, 2008**

No.	Session	Paper Title	Author (s)
1	December 19, 2008 13 – 13:30 GMT	Optimization of advanced steam turbine cycle by minimization of irreversibility	Dr. Fazlollah Eskandari, Masoud Behzad and Gholam Reza Salehi Bu-Ali Sina University (Iran) and K.N.Toosi University of Technology (Iran)
2	December 19, 2008 13:30 – 14 GMT	Statistical Analysis of Solar-Wind hybrid system using SYSTAT software	Prashant Baredar, Dr. V.K. Sethi, Dr. Mukesh Pandey, Bhupendra Gupta, and Priyanka Sharma Laxmi Narain College of Technology Bhopal (India), University Institute of Technology, Rajeev Gandhi Technological University, Bhopal (India) and Govt. Engg. College Jabalpur (India)
3	December 19, 2008 14 – 14:30 GMT	A Study on Fuel Planning by Considering Wind Power Forecasting for the Island System	Yi-Ping Chen and Shiuan-Hau Rau Tatung University, Taiwan
4	December 19, 2008 14:30 – 15 GMT	CONTROLLER FOR GRID-CONNECTED PV ARRAY USING BOOST CONVERTER AND LINE COMMUTATED INVERTER	T. Shanthi Kumaraguru College of Technology, Coimbatore, India

**Conference Participation Guidelines**  
**1<sup>st</sup> International Online Energy Conference (IOEC 2008)**

<b>5</b>	December 19, 2008 15 – 15:30 GMT	Minimizing the energy losses in power transformers	Abdulla A. Al-Shehhi, Abdulla M. Al-Shehhi and Saeed R. Alshehhi  The Petroleum Institute , Abu Dhabi, UAE
<b>6</b>	December 19, 2008 15:30 – 16 GMT	Electric Motor Systems Efficiency	Hasan AL Shehhi, Ali AL Zaabi and Eisa AL Qubaisi  The Petroleum Institute , Abu Dhabi, UAE

## Conference Participation Guidelines

### 1<sup>st</sup> International Online Energy Conference (IOEC 2008)

#### Conference Time:

IOEC 2008 Conference will be held on December 19 from 13:00 GMT (Greenwich Mean Time) to 16:00 GMT. Below you may find the time differences of some of the major participating cities from GMT:

City	Difference from GMT	City	Difference from GMT	City	Difference from GMT
Ankara	+ 3	Bucharest	+ 3	Kuala Lumpur	+ 8
Athens	+ 3	Copenhagen	+ 2	Lagos	+ 1
Auckland	+ 12	Dubai	+ 4	Mumbai	+ 5.5
Beijing	+ 8	Hong Kong	+ 8	Prague	+ 2
Boston	- 4	Istanbul	+ 3	Tehran	+ 4.5

A complete list of cities' time difference from GMT can be checked at: <http://www.timeanddate.com/worldclock/>

For any inquires, please contact conference manager at: [ioec2008@ioksp.com](mailto:ioec2008@ioksp.com)

An updated version of conference program can be checked at conference webpage: <http://www.ioec2008.ioksp.com>
